# Rare and Trendy ! RED HAIR

**R**

are enough natural color - less than 2% of the world's population is naturally red - the flamboyant side of the red seems to attract more and more women until they have their natural brown for a red coloring

But beware, the red is not going to everyone. This coloration is to be adapted according to its basic color and its complexion. To make no mistake and regret later, the ideal is to speak to a hairdresser-hairstylist who can tell you what is the perfect red for you.

TRIP

# SRI LANKA : COLOMBO

**T**he city is home to several performance halls for music and theater, as well as museums and some art galleries. The main festival of the city is Vesak, which celebrates Buddha, and sees the city illuminated by multiple sources of light for a week in May. You will also appreciate the diversity of architecture due to different colonizers and Buddhist, Hindu, Islamic and Indian influences. The British footprint is particularly visible, through its neo-renaissance buildings, and its seaside promenade, Galle Face Green, and the Galle Face Hotel to which it leads. The Vihara Maha Devi Park, former Victoria Park, will charm you with its cinnamon plantation around the National Museum.

Visit the Pettah neighborhood and its busy streets with their stalls, markets and Hindu temples, then the Fort district dominated by its two towers, and its streets with white and red brick buildings. To go from one district to another, as the city is quite extensive, consider using the famous tuk-tuks

# IVORY COAST : TOURISM ?

**F**or the traveler, Abidjan offers many facilities: hotels, sports complexes, nightlife, beaches, However, it is not a popular destination for tourists, it attracts businessmen, as well as the Ivory Coast in general...

HOWEVER, YOU CAN VISIT THE BANCO PARK, AT THE GATES OF THE CITY, WHICH IS A REMNANT OF THE FOREST SURROUNDING THE LAGOON, WITH ITS CENTRAL LAKE, ITS COFFEE AND COCOA PLANTATIONS, AND THE SMALL RIVER USED AS WASHERS LAUNDERS FROM THE CITY. SOME MONUMENTS ARE ALSO WORTH MENTIONING: THE MOSQUES OF COCODY AND TREICHVILLE, THE SAINT-PAUL CATHEDRAL, THE MUNICIPAL MUSEUM, THE VILLAGE KI YI M'BOCK, THE MUSEUM OF CONTEMPORARY ART, THE NATIONAL MUSEUM AND THE CRAFT CENTER OF THE CITY . IT IS WORTH MENTIONING ALSO MANY MUSIC FESTIVALS ORGANIZED REGULARLY BY THE CITY
